REPORT INFORMATION			
<b>Report Funding Cycle:</b> 2020 April Cycle		<b>Report Date:</b> 01/08/2021 12:00 am	
<b>1: Please include in your report the dollar amount of the funds that were awarded, the date they were funded and what the funds supported.</b>			
Awarded Amount: 20,000		Date: 04/24/2020	
<b>2: Were the objectives cited in your original proposal met? Please address each started objective and how it was met.</b>			
The main objective was to purchase three vehicles to replace out-dated vehicles in our vehicle replacement program. We were able to replace one vehicle with the awarded funds.			
<b>3: Please explain any changes from the original proposal and the circumstances that lead to the modification of the objective.</b>			
N/A			
<b>4: What needs were addressed?</b>			
With the purchase of the new van, we are now able to properly and safely transport participants to doctor appointments, outings, and all necessary transportation needs.			
<b>5: What method of evaluation did you use to monitor and measure the project's outcome and what are the result?</b>			
While purchasing the vehicle, we made sure it met all standards needed in or to be used to the fullest of potential. We made sure the vehicle, as well as maintenance and modifications, remained in, if not, under the budget.			
<b>6: Do you plan to continue this project, and if so, how do you plan to sustain it?</b>			

At this time, we will continue to upkeep vehicles and seek donor support if necessary. In the coming years, once our vehicles have been replaced, RMI will continue to be in the position to budget for annual vehicle replacement and repairs. We are very proud of how far we have come on our vehicle replacement program in the past three years. We honestly would not be as far along if it had not been for the help of the Najim Family Foundation.
